

Flavour Menu

This cake menu is full of much loved classics and indulgent flavours. Each layer of sponge is drenched in a flavoursome syrup to keep it moist and then filled with delicious buttercream.

Beneath your fondant iced cake you will find a delightful layer of white chocolate ganache to create a beautifully smooth finish.

If you have any allergies or intolerances, please make this clear before you order. In some instances, I will be able to accommodate slight changes to the menu, but please check first.

Please note that I am not offering eggless or vegan options at this time.
